

DSI E 3 (910 631)

Receiver module for optical transmission for selective operating state indication / centralised fault indication of three coordinated DEHNbloc Maxi S and, where appropriate, DEHNgap Maxi S lightning current arresters in five-wire systems.

Type	DSI E 3
Part No.	910 631
Supply a.c. voltage (U _N)	230 V
Weight	114 g
Customs tariff number (Comb. Nomenclature EU)	85389091
GTIN	4013364108196
PU	1 pc(s)
