

## SCS 72 2000 (763 620)

- For use as operating stick for inserting insulating protective shutters
- Handle termination with end cap

| Type   | SCS 72 2000                                   |
|--|---|
| Part No.   | 763 620                                       |
| Nominal voltage ( $U_n$ )                            | 1 ... 72.5 kV                                 |
| Total length ( $l_{\Sigma}$ )                        | 2000 mm                                       |
| Insulating clearance ( $l_i$ )                       | 900 mm  |
| Length (handle) ( $l_H$ )                            | 410 mm  |
| Insertion depth ( $l_o$ )                            | 690 mm  |
| Standard (switching stick head)                      | E DIN VDE V 0681-2                            |
| Standard (switching stick)                           | E DIN VDE V 0681-1 and -2                     |
| Standard (insulating stick)                          | E DIN VDE V 0681-1                            |
| For use at   | *   |
| For  | For indoor and outdoor installations          |
| Design   | Fully insulated, massive switching stick head |
| Material (insulating tube)                           | Glass-fibre reinforced polyester tube         |
| Material (switching pin)                             | Steel, plastic-sheathed                       |
| Diameter   | 30 mm   |
| Anti-rotation plug-in coupling including end fitting | No  |
| Type of device                                       | Switching stick                               |
| Weight   | 800 g   |
| Customs tariff number (Comb. Nomenclature EU)        | 85389099                                      |
| GTIN   | 4013364003316                                 |
| PU   | 1 pc(s)                                       |

We reserve the right to introduce changes in performance, configuration and technology, dimensions, weights and materials in the course of technical progress. The figures are shown without obligation.
