

DECLARATION OF MANUFACTURER

Product: **Earthing Tongs**

Product description: Part no. 546 000
Part no. 546 001
Part no. 546 002
Part no. 546 025
Part no. 546 211

Manufacturer: DEHN + SÖHNE GmbH + Co. KG.
Hans-Dehn-Str. 1
92318 Neumarkt i.d.OPf.

Application:

Earthing tongs are used for controlled earthing of tank lorries, aircraft, containers and reservoirs in order to discharge electrostatic loads.

Instructions for use no. 1530 provide further information about their application and installation.

Earthing tongs have no potential source of ignition (mechanical device) of their own and are thus not subject to the European Ex-Directive 94/9/EC.

Therefore an approval under aspects of explosion protection is neither required nor can it be granted legally.

Neumarkt i.d.OPf., 10.05.2012

A handwritten signature in black ink, appearing to read "Ralph Brocke". The signature is fluid and cursive, written over a white background.
